MOTIONS AND PROCEEDINGS

MOTION 2025-I · ON THE SCORING FORMAT OF THE LEAGUE

A motion was brought before the Assembly to abandon Standard scoring in favor of Half PPR.

OWNER	VOTE	OWNER	VOTE
Lop	Half PPR	Gov	Half PPR
Chen	Standard	Herm	Half PPR
The Professor	Standard	Rogue	Standard
Charlie	Half PPR	Gary	Standard

TALLY: 4 Half PPR, 4 Standard. RULING OF THE LEAGUE: The motion fails. The EFFL remains a Standard scoring league.

ANNOTATOR'S NOTE. *Deadlocked at four votes apiece, the motion failed to meet any threshold recognized by this or any governing body. Receptions remain worthless. But see the Scoring Reconciliation note under Open Business, as the platform of record has developed opinions of its own.*

MOTION 2025-II · ON THE ADOPTION OF AN AUCTION DRAFT

A motion was brought to retire the snake draft and adopt an auction format.

OWNER	VOTE	OWNER	VOTE
Lop	Snake	Gov	Snake
Chen	Auction	Herm	Auction
The Professor	Auction	Rogue	Auction
Charlie	Auction	Gary	Auction

TALLY: 6 Auction, 2 Snake. RULING OF THE LEAGUE: The motion fails. The EFFL retains the snake draft.

ANNOTATOR'S NOTE. *The record must reflect the remarkable arithmetic of this outcome: a 6 to 2 supermajority in favor of the auction was defeated by two men, as league law at the time of the vote required unanimity. Under the threshold ratified minutes later in Motion 2025-IV, this motion would still have failed by a single vote. Lop and Gov are invited to reflect on the power they briefly held.*

MOTION 2025-III · ON THE REMOVAL OF KRIS

A motion was raised concerning the removal of Gov ("Kris") from the league.

RULING OF THE LEAGUE: The vote is postponed indefinitely, as is tradition.

ANNOTATOR'S NOTE. No votes were recorded, and none were expected. Kris remained in excellent spirits throughout and participated fully in all subsequent votes. The record nonetheless reflects that the Assembly joked about his removal, and Kris responded by winning the 2025 league championship at 10 and 5, which is, frankly, the correct response to a bit. See Open Business.

MOTION 2025-IV · ON THE AMENDMENT OF THE VOTING THRESHOLD

A motion was brought to abandon the unanimity requirement and adopt a supermajority standard of 7 of 8 votes for the passage of league law.

OWNER	VOTE	OWNER	VOTE
Lop	Yes	Gov	Yes
Chen	Yes	Herm	Yes
The Professor	Yes	Rogue	Yes
Charlie	Yes	Gary	Yes

TALLY: 8 Yes, 0 No. Unanimous. RULING OF THE LEAGUE: The motion carries. Henceforth, 7 of 8 votes passes a new league law.

ANNOTATOR'S NOTE. It is a fitting irony that the only unanimous vote of the session was the vote to abolish unanimity. Gary asserted from the floor that ownership changes require 8 of 8 while rule changes require 6 of 8. This claim conflicts with the motion as ratified and is referred to Open Business for verification.

MOTION 2025-V · ON THE TATTOO MANDATE FOR INCOMING OWNERS

A motion was brought requiring that any new owner receive a tattoo as a condition of entry into the EFFL.

OWNER	VOTE	OWNER	VOTE
Lop	Yes	Gov	No
Chen	No	Herm	No
The Professor	No	Rogue	Yes
Charlie	No	Gary	Yes

TALLY: 3 Yes, 5 No. RULING OF THE LEAGUE: The motion fails. No new owner shall be required to receive a tattoo to join the EFFL.

ANNOTATOR'S NOTE. *The Assembly is reminded that three of its members voted to make permanent body modification a condition of playing fantasy football. Their names are preserved above for posterity. The Tally Statute governing last place finishers remains, of course, fully in force.*

MOTION 2025-VI · ON EXPANSION WITH A TATTOO PENALTY FOR LOSING

A motion was brought to expand the league from 8 to 10 owners, with the added provision that any new owner who loses shall be required to get a tattoo.

OWNER	VOTE	OWNER	VOTE
Lop	No vote recorded	Gov	No vote recorded
Chen	No vote recorded	Herm	No vote recorded
The Professor	No vote recorded	Rogue	Yes
Charlie	No vote recorded	Gary	No vote recorded

TALLY: 1 Yes, 7 votes not recorded. RULING OF THE LEAGUE: No decision was rendered. The motion is unresolved and referred to Open Business.

ANNOTATOR'S NOTE. *The motion was met with near total silence. Rogue voted Yes. No other owner committed a position to the record, and the Assembly moved on. History will note who stood alone.*

MOTION 2025-VII · ON EXPANSION FROM 8 TO 10 OWNERS

A standalone motion was brought to expand the league from 8 to 10 owners, free of dermatological provisions.

OWNER	VOTE	OWNER	VOTE
Lop	No	Gov	No vote recorded
Chen	No	Herm	No vote recorded
The Professor	No vote recorded	Rogue	No vote recorded
Charlie	Yes	Gary	No vote recorded

TALLY: 1 Yes, 2 No, 5 votes not recorded. RULING OF THE LEAGUE: The motion fails. The EFFL remains at 8 owners.

MOTION 2025-VIII · ON THE INSTITUTION OF THE KEEPER RULE

A motion was brought to permit keepers in the EFFL for the first time in league history.

OWNER	VOTE	OWNER	VOTE
Lop	Yes	Gov	Yes
Chen	No	Herm	Yes
The Professor	Yes	Rogue	Yes
Charlie	Yes	Gary	Yes

TALLY: 7 Yes, 1 No. Threshold of 7 of 8 satisfied. RULING OF THE LEAGUE: The motion carries. Keepers are hereby permitted in the EFFL, subject to the Keeper Codex set forth in Appendix A.

ANNOTATOR'S NOTE. *The first law ever passed under the new 7 of 8 threshold, and it passed with exactly 7 votes. Chen, the lone dissenter, is hereby recognized as the first owner in EFFL history to be constitutionally overruled.*

2025 SEASON: FINAL STANDINGS OF RECORD

Entered into the record following the conclusion of the 2025 campaign, the eleventh season of the Estate.

RANK	FRANCHISE	OWNER OF RECORD	RECORD
1	Gov's Office	Gov	10-5-0
2	Herm's Army	Herm	9-6-0
3	Coach Balls	Chen	8-7-0
4	Gary's Grinders	Gary	9-6-0
5	Matt Millen	Charlie	7-8-0
6	Lop	Lop	8-7-0
7	Professor's Tavern	The Professor	7-8-0
8	Go Pats	Rogue	2-13-0

ANNOTATOR'S NOTE. *Two facts demand preservation. First: the 2025 champion is the very owner whose ceremonial removal this Assembly joked about in Motion 2025-III. The league kidded about removing Gov, and he answered by winning the whole thing. Second: Go Pats finished 2 and 13, and pursuant to the Tally Statute, Rogue owes the league one permanent tally mark, minimum one inch, location of his choosing. The record awaits photographic proof.*

VOTING RECORDS AND ANALYTICS

Recorded votes across the decided motions of the session (2025-I, II, IV, V, VII, VIII). Motion 2025-VI is excluded as undecided. The Contrarian Index is the share of an owner's recorded votes cast on the losing side of a ruling.

OWNER	VOTES RECORDED	WITH MAJORITY	DISSENTS	CONTRARIAN INDEX
Charlie	6	3	3	50%
Herm	5	3	2	40%
Rogue	5	3	2	40%
Gary	5	3	2	40%
Lop	6	4	2	33%
Chen	6	4	2	33%
Gov	5	4	1	20%
The Professor	5	4	1	20%

ANNOTATOR'S NOTE. *The Assembly's leading contrarian, at a perfect 50 percent, is the Annotator himself, who has chosen to publish this table anyway in the interest of transparency. The two least contrarian owners include the reigning champion, which the Assembly may interpret however it likes.*

2025 DRAFT ORDER

The order of selection for the draft of Wednesday, August 27, 2025, as recorded by the Assembly.

PICK	ALIAS OF RECORD	OWNER
1	Smith	The Professor
2	Herm	Herm
3	Kris	Gov
4	Rogue	See Appendix B, Note 1
5	Charles	Charlie
6	Lop	Lop
7	Gary	Gary
8	Glen	See Appendix B, Note 1

ANNOTATOR'S NOTE. *The draft order is recorded exactly as declared, in the noble tradition of owners answering to whichever name the room chooses for them that evening. The identities behind Rogue and Glen are addressed in the Registry of Dignitaries.*

OPEN BUSINESS CARRIED FORWARD

1. **The Kris Question (Ceremonial).** The ceremonial motion concerning Gov (2025-III) remains postponed indefinitely, per tradition. Its comedic value has been substantially complicated by the honoree winning the 2025 championship, and the Assembly may wish to retire the bit with full honors.
2. **Voting Threshold Verification.** The Annotator is directed to verify Gary's assertion that ownership changes require 8 of 8 votes while rule changes require 6 of 8, which conflicts with the 7 of 8 standard ratified in Motion 2025-IV. Until resolved, Motion 2025-IV governs.
3. **Expansion With Tattoo Penalty.** Motion 2025-VI remains unresolved, with one recorded vote (Rogue, Yes) and seven owners maintaining strategic silence. The motion may be reintroduced at a future session by anyone brave enough.
4. **Prospective Expansion.** The potential addition of two new members is under consideration, notwithstanding the failure of Motion 2025-VII. Any admission would proceed under the entry standards of league law, which, per Motion 2025-V, do not require a tattoo.
5. **Scoring Reconciliation.** Motion 2025-I retained Standard scoring. The league's ESPN settings of record nonetheless award 0.2 points per reception. This amendment was adopted by means not reflected in the minutes. The Annotator makes no accusations and requests only that someone explain.
6. **2026 Dues.** Annual dues of \$250 per owner are subject to change for the 2026 season. Confirmation is expected at the next session.
7. **The Tally.** Enforcement of the Tally Statute against the 2025 last place finisher (Go Pats, 2 and 13) is pending. The record awaits proof of ink.

PROPOSED AGENDA: NEXT SESSION OF THE ASSEMBLY

Date to be proclaimed. Scheduling is underway. The following items are pre-filed for consideration.

1. Ratification of the EFFL Constitution (presented as a companion document to these minutes).
2. The Kris Question (ceremonial), carried from Motion 2025-III; retirement of the bit with honors to be considered.
3. Verification of voting thresholds (carried from Motion 2025-IV).
4. Prospective admission of two new members, including terms of entry.

- 5. Reintroduction of Motion 2025-VI, should any owner wish to claim it.
- 6. Confirmation of 2026 dues.
- 7. Certification of Tally Statute compliance by the 2025 last place finisher.
- 8. Scoring reconciliation: formal adoption or repeal of the 0.2 per reception setting.

PROPHECIES OF THE ASSEMBLY

In the tradition now established: following the draft and before the first kickoff, each owner shall enter one bold prophecy for the season into this ledger. Prophecies are sealed upon entry and read aloud at the final gathering of the season, where the Assembly shall render its verdicts.

OWNER	PROPHECY (TO BE ENTERED AFTER THE DRAFT)	VERDICT
Lop		
Gov		
Chen		
Herm		
The Professor		
Rogue		
Charlie

APPENDIX A: THE KEEPER CODEX

The complete and binding rules governing keepers in the EFFL, as ratified under Motion 2025-VIII, promulgated to the Assembly by Commissioner Chen, and configured on the platform of record.

Article 1. Eligibility. Only running backs, wide receivers, and tight ends may be kept. Quarterbacks, kickers, and defenses shall re-enter the pool each year like everyone else.

Article 2. Draft Round Restriction. No player drafted in the 1st or 2nd round may be kept. Keeper eligibility begins in the 3rd round.

Article 3. One Keeper Per Franchise. Each franchise may keep a maximum of one player per season, per the league settings of record.

Article 4. Roster Continuity. A keeper must remain on the keeping owner's roster for the entire season, unless acquired by trade.

Article 5. Cost of Keeping. An owner who keeps a player forfeits the draft round in which that player was originally selected. Each additional consecutive year of keeping escalates the cost by one round. Example: a player drafted in the 8th round costs an 8th round pick in year one of keeping, a 7th in year two, and a 6th in year three.

Article 6. Free Agent Keepers. A player acquired as a free agent may be kept at the cost of a 6th round pick.

Article 7. Term Limit. No player may be kept for more than 3 consecutive years. All dynasties end.

Article 8. Declaration Deadline. Keepers must be declared no later than one week before the draft, and in all cases lock one hour before the draft per platform settings. For 2025, the league deadline is Wednesday, August 20, 2025.

Article 9. Tradability. Keepers may be traded. The team trading away a keeper shall receive the associated draft pick.

APPENDIX B: REGISTRY OF DIGNITARIES

Their final assignment is pending verification by the Office of the Annotator, and their identities remain sealed until then. The Assembly is asked to enjoy the mystery.*
